Intelligence Community Staff Weekly Report

16 - 20 August 1982

Completed:

- Contractor Access to Sensitive Intelligence - As a result of security concerns expressed by the Acting, DCI, the DOE has dropped its plan to operate its all-source communications center with contractor personnel. In addition the NFIC has been advised of the DCI policy not to expose unnecessary contractor personnel to a wide range of intelligence information.
- National HUMINT Collection Plan -
- SIG(I) - Meeting on NITs and FY 84 NFIP budget forecast rescheduled for 31 August.

25X1

Ongoing:

- NO TALKS*
- Reconnaissance Systems Review - The Deputy Secretary of Defense has invited DDCI participation in a Defense Resources Board Subcommittee which is to perform an all-clearance assessment of current, programmed and proposed U.S. reconnaissance activities with emphasis on the architecture, design, investment alternatives, and operation of a surviving and enduring intelligence and combat information system. Based on guidance from the Acting, DCI, the ICS is preparing a response to the Deputy Secretary of Defense's memorandum and talking points for upcoming DDCI discussion with Deputy SecDef.
  - Narcotics Trafficking - Work continuing on development of a Community plan for increased SIGINT collection in support of monitoring narcotics trafficking activities. In addition, the staff is developing a long-range plan for dealing with the problem to include increases in funds and personnel which will be briefed to the SSCI by the DDCI later in 1982.
